

SAUGATUCK DOUGLAS ART CLUB
WATERFRONT INVITATIONAL ART FAIR 2010
SATURDAY, JULY 3, 2010
www.saugatuckdouglasartclub.org

SET UP TIME 7:00 – 9:30 AM
TAKE DOWN TIME 5:00 – 7:00 PM
PARKING SHUTTLE 7:30--9:30 AM and 5:00 – 7:00 PM

Make a single check or money order payable to the Saugatuck Douglas Art Club for the booth fee, license fee and application fee. The total fee is \$110, including a \$80 booth fee, a \$10 license fee for the City, and a \$20 application fee. The booth fee and city license fee are refundable in the event you are not accepted. Enclose a self-addressed, stamped envelope along with your application. Send to Box 1105, Saugatuck MI 49453. Apply early for best spaces.

Please send one digital photo of your space set-up, one digital photo of you making one of your pieces, and three close-ups showing your work. All photos will be juried to allow the Art Club to maintain the high quality of the show. Digital photographs may be submitted via email to artclub@saugatuckdouglasartclub.org, or on a CD with your application, however, the CD will not be returned unless appropriate postage is supplied. We will audit your display and wares for compliance with your application and photos. If material has not been juried, or if it is not by the artist who applied, we will tell you to put the material away.

The Club aims to have only original work in the show, therefore must strictly enforce the following restrictions. We will accept painting, graphics, sculpture, fiber, photography, jewelry, leather, glass, ceramics, woodworking or mixed media. No commercial dealers or wholesalers. All prints of the artist's work must be accompanied by the original piece and labeled as such. Participating artists will transact all sales and are responsible for the State of Michigan sales tax on those sales made during the show. No artist, no show.

A number will be assigned to you from the map available on the website. Please refer to the map for your location. Exhibit space sizes measure approximately 10'6" by 10'6". The vendor, his/her work and displays must be contained within the assigned space. Vendors must use their own display canopy. This should be sufficiently sturdy to withstand weather and crowds. PLEASE CHECK MAP for your desired space numbers. Please provide us with more than one choice.

Places are held until 9:30 A.M. then unclaimed ones will be available to our waiting list. The Art Club charges no commission and the chairpersons reserve the right to reject any work considered by the Art Club to be unacceptable. We will confirm your reservation and assign your space number according to date of receipt of application. An accepted application is a commitment to the show and NO REFUNDS will be made for cancellations or weather. Neither the Art Club nor the City of Saugatuck shall be responsible for any loss or damage to a vendor's display or work, or any injury resulting in any way from participation in the show.

Setup of the fair in this park requires early morning activity by fair organizers, so please do not arrive at the site until 7 AM because it will not be ready, and you will have to wait. You will be assigned a setup time based on your booth location. Please do not setup earlier as this will cause congestion. No stakes are to be used on any lawn area, as there is a sprinkler system.

All vehicles MUST be cleared from the area by 10 AM. Please observe that traffic flows south and east bound on Water and Culver Streets during setup and takedown. Offsite parking and a free parking shuttle are provided. You will receive a map directing you to the offsite parking at registration. No handicap parking adjacent to the show will be available.

A judge will decide the awards between 10 AM and noon. Consult the website for information about this year's awards. Display of previous year's awards is not permitted. All applications and digital photographs must be received by April 1, when they will be juried. Applicants will be informed in April about their acceptance status.

At take-down time we encourage vendors to tear down and stack their wares and displays before returning with their vehicles, in the interest of minimizing traffic congestion. Your cooperation is necessary to allow an efficient take-down process that minimizes waiting for other vendors. Each vendor is responsible for removing his or her display and art work, and cleaning the space before 7:30 PM.

There is one takeaway food booth permitted at the fair. Please contact the chairs regarding the rules for such vendors. Power or water cannot be made available to other booths nor are generators or propane fueled equipment allowed in them.

We hope to see you in July.
